Sprint:	AA Sprint 1

Description

- Verify that a new user can create an account using all fields.
- Verify that if all fields are left blank an error message will be displayed.
- Verify that the required/mandatory fields are marked with the '*' symbol.
- Verify that a validation message is displayed when an incorrect email format is used.
- Verify that the user cannot create an account by filling out only the email input field
- Verify that a registered user cannot create another account using the same email address.
- Verify that a new user cannot create a password using just letters or just number.
- Verify that the checkboxes from the profile information section are working.
- Verify that a new user can choose a language from the dropdown menu
- Check the Enter button
- Verify that a confirmation message or email is sent to the user after successful account creation.

Description

The price for a dalmation dog is too low. Normally, a dalmation dog is more expensive.

Attachments

The screenshot shows the JPetStore Demo application. The header includes the JPetStore logo, navigation links for Fish, Dogs, Reptiles, Cats, and Birds, and a search bar. The main content area is titled "Dalmation" and lists two products:

Item ID	Product ID	Description	List Price
EST-9	K9-DL-01	Spotless Male Puppy Dalmation	\$18.50
EST-10	K9-DL-01	Spotted Adult Female Dalmation	\$18.50

Each product row has an "Add to Cart" button. The footer of the application shows links to aspectran.com and mybatis.org.
